

Whitetail Hunting Tactics of the Pros: Expert Advice to Help You be a Successful Hunter

With chapters by such renowned experts as Peter Fiduccia, Bill Winke, Greg Miller, Charles Alsheimer, John Weiss, Jeff Murray, and John Wootters, *Whitetail Hunting Tactics of the Pros* thoroughly covers every aspect of whitetail hunting. With major sections on understanding whitetail habits and behavior; choosing gear, from boots and backpacks to clothing and optics; reading and interpreting deer sign, especially during the rut; major hunting tactics, including tracking, stand hunting, stalking, still-hunting, calling and rattling, and putting on drives; making the shot-where to place your shots, when to take them, and when to pass; and an in-depth look at guns (both rifles and shotguns) and loads, bows and arrows, plus muzzleloaders, this book is one the dedicated whitetail hunter simply cannot be without. Its all here-all the information to help you become a better whitetail hunter right now, no matter what your current skill level is. (6 x 9, 308 pages) Lamar Underwood serves as editorial director of the Outdoor Magazine Group of Harris Publications in New York. He is the author of a novel, *On Dangerous Ground*, and the editor of such anthologies as *The Greatest Hunting Stories Ever Told*, *The Greatest Fishing Stories Ever Told*, *Man Eaters*, *The Quotable Soldier*, and *The Bass Almanac*.
