

W. S. Darley & Co. Fire Apparatus: 1908-2000 Photo Archive

Unique in the fire apparatus industry, Darley is a family run business that makes its own pumps and assembles complete apparatus. Follow the story of the Darley company from its beginnings as a municipal supply catalog company through the development of its first pumps and then complete fire apparatus up to the current day. A fascinating story that will delight fire apparatus enthusiasts everywhere. Large format, detailed photos illustrate the complete line of Darley equipment from the first pumps to today's modern apparatus.
