

## Devotions for Couples on the Grow

In the fast pace of life, we sometimes forget to take time for our own marital relationship, and pursue the love and inspiration we had when we began. In this devotional, created for couples on the go who still want to grow, both together and in their faith, you'll find the practical help and encouragement you need to accomplish that goal in just a few minutes. Day by day, you'll clarify your beliefs, apply God's word to your lives, and be rooted deeper in your faith as the Lord confronts, teaches, develops, tickles, and inspires you. You'll soon find you're a couple on the grow.
