

Special Mom: Me to You

Here's a fine little gift book for Mom on Mothers Day--or on any occasion that calls for a token of love to Mom. Every two-page spread pairs a charming illustration of a favorite cartoon-style bear, Tatty Teddy, with a short message of affection. The book's twelve two-page illustrated messages are simple but sincere, expressing such thoughts as: Moms are there to dry our tears and warm our hearts, and Mom, you make a house into a home! Although Special Mom makes an inexpensive gift, it's one that Mom will treasure as a token of sincere affection.
