

MGB: Including MGC & MGB GTV8 (Landmarques)

This fascinating story of the MGB covers its development as a replacement for the MGA. The author includes the designers and engineers who worked on the project; the early production cars; the evolution of the model and the introduction of the MGC and MGB GT versions; competition and works cars; sales and promotion; and the MGB industry today. Vivid illustrations include a gallery of specially commissioned color photographs, official archive material, cutaway drawings, and photographs provided by ex-MG employees.
