This book will show you how to do so ethically, using the nine key steps. \* Do you feel that your life should somehow be better than it is? \* Are you on a treadmill, doing things you don't want to do, with no way of getting off? \* Do you find it hard to say what you want, or even to know what you want? \* Do you feel intimidated by those in authority, whoever they are? If so, this book is for you. Meet Martin. Through his story you will learn the nine steps to ethical power, key to living your own life to the full and helping others live theirs. Through reading this, you will discover what Martin did - its time to stand up and live!
