

Spiritual Treasure

This is a collection of 44 true stories of the supernatural grace of Jesus Christ. It contains stories of healings, miracles, words of knowledge, words of wisdom, divine guidance, divine dreams, and visions. Many of these stories are about healing. Six stories describe the healing of cancer. Three stories are about the healing of blind people. Four stories involve the healing of unsaved persons, such as a Satanist, a witch, a Hells Angel biker and a Buddhist martial arts master. A few stories involve the healing of people who were wheelchair-bound. These events not because the author was worthy. They happened because of the grace of Jesus Christ. More of these stories will be found in Spiritual Treasure 2.
