

Beneath the Canyons (Daughter of the Wildings) (Volume 1)

Cowboys and gunslingers meet wizards in this high fantasy series inspired by the Old West. Silas Vendine is a mage and bounty hunter, on the hunt for renegade mages. He's also a freedom fighter, sworn to protect the non-magical people of the Wildings from ambitious mages both lawless and lawful. It's a dangerous life and Silas knows it, but when he comes to the town of Bitterbush Springs, he finds more danger and excitement than he bargained for... In Bitterbush Springs on the trail of a dangerous rogue mage, Silas meets Lainie Banfrey, a young woman both drawn to and terrified of her own developing magical powers. Though Lainie has been taught all her life to hate and fear wizards, she and Silas team up to stop the renegade who has brought her hometown to the brink of open warfare. The hunt takes them deep beneath forbidden lands held by the hostile Aayimat people, where only Silas's skills and Lainie's untamed, untrained power can save them from the rogue mage and the dark magic he has loosed into the world.
