

## Whats Missing?: Inspiration for Women Seeking Faith and Joy in Their Lives

In *Whats Next?: Inspiration for Women Seeking Faith and Joy in Their Lives*, Rena Pederson helped thousands of women discover their own next step by looking to the lives of successful women famous and not-so-famous who redefined themselves in midlife. Now, in *Whats Missing?*, she engages another group of women in a conversation on the nature of faith from various traditions to help you rediscover its importance in your own life. From First Lady Laura Bush to singer Patti LaBelle and journalist Diane Sawyer, the women interviewed have a spiritual foundation that has given them the strength to overcome obstacles and achieve success in their lives. These women along with others from around the nation reveal how faith in its many forms helped them withstand lifes pitfalls and emerge happier, healthier and stronger. *Whats Missing?* will help you examine whats missing from your life and how faith can give you direction. Inside, youll find inspiring wisdom on how to pray; the importance of listening to others and to God; how doubting and questioning can strengthen your faith, how to turn your faith into action, and how faith can help reassure you in the midst of lifes uncertainties. Whether you are turning to faith for the first time, or renewing beliefs, this book will be a wonderful companion. Includes insights from First Lady Laura Bush, Diane Sawyer, Karen Armstrong, Patti LaBelle, Judy Collins, Peggy Noonan, Zina Garrison, Naomi Harris Rosenblatt, Rabbi Janet Marder, Linda Alvarado, Anne Graham Lotz, Beth Moore, Hind Jarrah, Sister Joan Chittister, Rep. Nancy Pelosi and many others.
