

60 Days of Happiness: Discover Gods Promise of Relentless Joy

Would you like to experience true happiness? When it comes to happiness, most of us have the same questions. Why can't I be consistently happy? Is it wrong to be happy when there's so much pain and suffering in the world? And perhaps the biggest one: How can I be happier? Some Christians make an artificial contrast between joy and happiness, while others claim God wants us to be holy, but not happy. In fact, he wants us to be both, and the two go hand in hand! In 60 Days of Happiness, noted theologian and New York Times bestselling author Randy Alcorn shares sixty timeless devotions demonstrating that God not only wants us to be happy in him and enjoy his gifts, he commands and empowers us to do so.
