

Textbook on Immigration and Asylum Law

The fifth edition of Textbook on Immigration and Asylum Law continues to provide students with expert coverage of case law and legislation, along with dynamic analysis of the political context and social impact of the law, and a strong focus on human rights. An essential text for students at all levels, the book deftly guides the reader through this fascinating and constantly developing area of law. Online Resource Centre This book is accompanied by an Online Resource Centre, which contains the following resources designed to support the book: - Twice-yearly updates providing easy access to changes and developments in the law - Problem questions to test knowledge and develop analytical skill - Guidance on how to answer the end-of-chapter questions - A selection of web links to support additional research
