

## 101 Projects for Your Corvette 1984-1996 (Motorbooks Workshop)

One of the most popular and most easily acquired Corvettes is the C4, produced from 1984 through 1996. The performance enhancements, maintenance procedures and restoration tips provided in this book provide Corvette owners a wide variety of options to upgrade their cars, all within reasonable price ranges. Projects include restoration tips, time estimates, tools needed, expertise level, and money necessary to complete the project so the reader will know what is required before starting.
