

Porsche Sixty Years

No other sports car has had a run like Porsches, on the street or on the worlds racetracks. On the eve of Porsches 60th anniversary, this richly illustrated volume tells the story of that fabled marque. Renowned automotive writer and photographer (and Porsche aficionado) Randy Leffingwell focuses his lens on each important model. His pictures, in-depth analyses of each car and its context, and interviews with key personnel comprise a complete, compelling, and often revealing history of the worlds premier name in sports cars.
