

## Soaring Eagle (Santa Fe Trail Trilogy Book 1)

With his blonde hair and green eyes, Julio Montoya is different from the others in his village, but as far as he is concerned, he is Mexican. Still, he can't help but wonder whether there's some secret about his birth.

In the first novel of the Santa Fe Trail Trilogy, Julio discovers his own strength and develops a strong friendship with the Cheyenne when he is stranded in the wilderness after the death of his father.
