

## Classic Jaguar Saloons (Collectors Guides)

Long before the Jaguar saloons and their Daimler derivatives featured in this book achieved classic status they were earning headlines either for their outstanding style, quality and value for money, or because they were performing prodigious feats in major races or rallies. This book is devoted to a range of models within a marque rather than to a manufacturer's entire range, the subjects in each case being chosen for their proven wide appeal and the special interest they evoke amongst discerning car enthusiasts.
