

Chilton Ford Service Manual 2004

The newly configured 2004 edition Chilton Service Manuals meet the needs of automotive professionals like never before!

The same, great mechanical service and repair information that technicians have come to rely on is now offered in a series of five manufacturer-based books, with updated coverage that reflects actual vehicle conditions found in the aftermarket, including rust, wear, and grime. Comprehensive, technically detailed content is supported by exploded-view illustrations, diagrams, and specification charts, all carefully organized by system and model for easy reference. Step-by-step procedures, from drive train to chassis and related components, help yield fast, accurate repairs.
