

A Long Stay in a Distant Land: A Novel

The Lums are cursed. Their early deaths come randomly, strangely, and often, be it by tainted cheeseburger or speeding ice cream truck. The most recent victim is Louis Lums mother. Now Louis must move back home with his gangsta rap-obsessed father, Sonny, to prevent him from enacting the revenge he promises. But soon Louiss concern shifts to his uncle Bo Lum, who has disappeared in Hong Kong. As Louiss search progresses, the tragicomic story of three generations of Lums in America is revealed. Chieh Chieng graduated from the creative writing program at the University of California, Irvine, and has been published in Glimmer Train, the Threepenny Review, and the Santa Monica Review. * Chosen for Barnes and Nobles Discover Great New Writers Program * This is a dazzling debut: poignant, prickly, and deliciously absurd.-Booklist [Chieng is] a fresh comic voice...a touching and auspicious debut.-Orange Country Register
