

## In A Cold Sweat

Mike Black is still grieving the brutal murder of his wife, Shy. A murder that he was accused of committing. Having dealt with the men who actually committed the crime, Black is still haunted by the fact that the people behind her death are still breathing. Black vows to find those responsible and deal with them accordingly. Now the proud father of a baby girl, Black knows that his actions affect more than just him. Can Black exact revenge and still be a father to his daughter? Can he keep her safe from the men who want to do to her...and to him...what they did to her mother?
