

A Gentle Zephyr - A Mighty Wind: Silhouettes of Life in the Spirit

Admitting that you must have the power of the Holy Spirit in all you do remains a sharp contrast to the actual available resources that explain how this happens, why it should, and the anticipated results. Gerald Harris volume, A Gentle Zephyr-A Mighty Wind, has done the unexpected: written a fresh exploration of the biblical doctrine of the Holy Spirit and done so in a way that church members can both read and grasp without Harris sacrificing scholarly integrity. Your life will be dramatically altered by following the biblical counsel of this volume.
