

## Ronnie Peterson: A Photographic Portrait

Along with Stirling Moss and Gilles Villeneuve, Ronnie Peterson is widely regarded as one of the fastest drivers never to have won the Formula One World Championship. Like Moss and Villeneuve, the modest Swede was also massively popular in his day and remains something of a folk hero to today's nostalgic fans, who recall his spectacular exuberance behind the wheel with such affection. This superbly produced book brings Peterson's career vividly to life through stunning images sourced exclusively from LAT, the world's largest library of motor racing images.
