

A Rich Poor Life (New Writers Series)

Set in rural eastern Ontario from the 1940s to the 60s, these stories capture a time that will never be seen again. A mother of thirteen children lies dying after a botched, backstreet abortion. She begs her husband, Promise me you'll keep them all together. Through dire poverty and numerous moves from farmhouse to farmhouse, a new wife and eight more children, Pop keeps his promise.
