

## Sealed Fate Savage Passion (Fate Series) (Volume 1)

Tavish McFadrians life goal is to kill Robert Delbeck, the man who viciously slayed his father. Learning of Delbecks plan to marry for a large dowry, and use it to annihilate him and his people, Tavish sets out to kidnap Roberts fiancée, Roselynn, thwarting his plans. Tavish is exhilarated to find Roselynn is the woman hed saved in the past. The fiery Roselynn is more than he bargained for, and hes drawn to her fierce personality. Roselynns life can get no worse, the blatantly cruel Delbeck swindled her ailing father into signing betrothal papers. Unsowed, Roselynn schemes to be released from the contract and is nearly beat to death. Attempting to escape Robert, Roselynn finds herself kidnapped by the very man whod saved her two years back. A man she only knew as the beast. Tavish cant resist his temptress and taunts her at every opportunity, but she fights his seduction, causing his self-control to wither. Roselynn fights Tavishs advances, and defies him at every turn, but with each encounter she finds it harder to resist his deadly caresses and her own aching desires.
