

## All She Ever Wanted

All She Ever Wanted is the emotion-packed story of three generations of women: Kathleen, her mother, Eleanor, and her grandmother, Fiona. Each woman left home to escape her family's past and to start a new life. Kathleen has been estranged from her family for 35 years, and she is torn between the need to forgive and the urge to forget. Hoping to find answers that will patch the wounds of her tattered heart and salvage her relationship with her daughter, Kathleen embarks on a journey into her family's mysterious past.
