

How to Speak so that People Want to Listen: Avoiding the 7 Deadly speaking habits and learn to speak with confidence (Speaking Well Book 1)

You've only got a minute - How come you aren't capturing your listeners' attention? Whether you're preparing for a TED speech, talking to clients or chatting with your best friend. Do you notice the lack of attention you're receiving? You might be making a deadly speaking habit that you're not aware of but don't worry. How to Speak so That People Want to Listen will help you recognize some of the most common poor speaking habits. Once you've recognized those habits, the book offers tips and advice on how to become a better speaker. You can become an effective, persuasive and confident speaker no matter who you are. It all starts here.
