

An Infinite Journey: Growing toward Christlikeness

After weve come to faith in Christ, God leaves us in this world for a very clear purpose: his own glory. But how are we to glorify God for the rest of our lives? The Bible reveals that God has laid before every Christian two infinite journeys which we are to travel every day: the internal journey of growth into Christlike maturity, and the external journey of worldwide evangelism and missions. This book is a road map for the internal journey, laying out how we are to grow in four major areas: knowledge, faith, character, and action. In this book, well learn how God grows us in knowledge, faith, character, and action. Well also discover that spiritual knowledge constantly feeds our growing faith, faith will transform our character, our transformed character will result in an array of actions more and more glorifying to God, and our actions will feed our spiritual knowledge. This upward spiral will lead us to become more and more like Jesus Christ in holiness. And not only will this book help us understand Christian growth in detail, it will also give us a passion to grow every day for his glory.
