

Angelic Mysteries

Angelic Mysteries is a systematic rationale, which sets the record straight about angels and their existence. Dr. Ricky Roberts brings academic analysis to the text of the Scriptures and divides truth from myth, fact from fiction, and information from misinformation. The degeneration of monotheism and the acceptance of other philosophical genres has led to a disintegration of understanding of the mysteries of Gods angelic forces. Using the Word of God as the final arbiter, Dr. Roberts systematically reexamines the role of angels in the Bible from the first appearance of the Cherubim in Genesis 3. The truth contained in Angelic Mysteries therefore becomes the standard by which other writings must be measured. Angelic Mysteries teaches the truth about: The orders of Gods angels The nature of angels The works of angels Common facts about angels About the author: Dr. Ricky Roberts was completely and instantaneously healed in 1977 of severe learning difficulties that had plagued him since birth. Today, he has seven earned doctorates, including two Ph.D.s and is an authority on ancient languages. He speaks Greek, Hebrew, Aramaic, and Latin. He has been honored by Whos Who in America. Whos Who in the World and most recently 1,000 Great Americans. Dr. Ricky Roberts is the founder of True Light Ministries, a teaching and healing ministry based in Jacksonville, Florida.
