

Anthology (Tezontle)

Sin duda, esta es la primera antologia completa de la obra de Alfonso Reyes para los lectores angloparlantes. Reune cronologicamente muestras excepcionales de ensayo, cronica y narrativa en apartados que incluyen los clasicos Vision of Anahuac y Our Language (Overview), ademas de una seccion especial de poesia. La meticulosa traduccion es de Dick Verdes y la edicion de Jose Luis Martinez, gran conocedor de la obra de Reyes y uno de los mejores criticos e historiadores mexicanos. En la cuarta de forros de la obra puede leerse: Alfonso Reyes is perhaps the most universal of Mexican thinkers - The task of creating an anthology that does justice to the entire oeuvre of such a writer is a strenuous endeavor that Jose Luis Martinez, editor of Alfonso Reyes Complete Works, has accomplished splendidly.
