The author has practiced these methodologies throughout his decorated and recognized career of twenty years at the top of his game and has also used his academic qualifications three degrees to further support this messaging! The book simplifies often complex areas to ensure people can utilize and maximize success through the most essential tool in life themselves! This is about you. Yes, you-heart, head, body, and soul! It is a powerful book with powerful messages to enhance, enable, or simply remind us of who we are, what we are capable of, can become, and also most importantly, how to get there. The hundreds of thousands of dollars spent on the authors education and conferences attended are now consolidated into this simple but effective positive tool for success and now at your fingertips! The illustrator, Jason Chatfield, said, This is a book I would not keep on a shelf, however, would have on my desk at work every day as a positive reminder Now strap yourself in as we go on the ride of our life-no one can stop us now! Go for gold and I am excited to be able to share some of this with you as we tap on success today through advanced communication skills, brain control, and awareness, practical strategies to ensure we stay positive and most of all cost effective activities to maintain and embed our goal setting and ultimate success!
