And every time you do, it will be a rock solid brick laid to your foundation of evidence that all prophecies in the Bible are divine and meant for your ultimate salvation. .End times demand we take sides. This book will empower you to get off the fence and be ready for 19 prophetic events. Spaces are provided for the reader to record the dates when they occur. .No religion such as Islam, Judaism, Hinduism, or Buddhism can stop the ultimate destiny declared by Christ: I am coming back to set up my kingdom. The author declares this clearly. .The human spirit is hungry to know the future but is often tricked into following the psychic bandwagon or the exotic prognosticators such as Nostradamus. This book will open their eyes and prove just how close to its edge we are.
