

ATF National Firearms Act Handbook

This easy-to-read 8x10 handbook is for persons interested in the business of importing, manufacturing and dealing in firearms defined by the National Firearms Act (NFA) or persons intending to go into an NFA firearms business. It should also be helpful to collectors of NFA firearms and other persons with questions about the application of the NFA. This publication is not a law book. It is intended as a user friendly reference book enabling the user to quickly find answers to questions concerning the NFA.
