

## Atonement and Justification: English Evangelical Theology 1640-1790: An Evaluation

This book examines and compares the theological views of Dr. John Owen (1616-1683), the Puritan pastor and theologian, and John Wesley (1703-1791), the evangelist and founder of Methodism. A.C. Clifford offers a critical, in-depth discussion of the philosophical foundations of the ultra-orthodoxy of John Owen, suggesting a positive solution to the controversy between Calvinism and Arminianism, a controversy that today continues to vex those who seek a coherent biblical grasp of the Reformed Faith.
