

Automotive ASE Test Preparation Manuals, 3E L1: Advanced Engine Performance (ASE Automotive Test Preparation Series)

Prepare to pass any automotive ASE exam with help from this newly revised package of test preparation booklets. Each title in this popular series features the recently updated task list for the ASE topic of that book, with written overviews that describe the actual work that needs to be done as a technician that will be tested on by ASE. Technicians seeking certification in any one of the automotive ASE exam areas will benefit from the valuable preparation offered, including ASE test taking strategies, hundreds of ASE-style exam questions, and detailed explanations as to why a particular answer is correct or incorrect. The newest booklet, (C1) Service Consultant, rounds out this comprehensive package.
