

## Glorious Sunset (Urban Books)

African King Taka Olufemi has traveled over four hundred years to find the woman who holds the soul of his murdered queen and hes a little cranky. With a ruby brooch as his vessel, the former king is forced to grant wishes to ungrateful mortals hoping to one day find, and win, the heart of his lost love. But it will take more than good looks and an impressive pedigree to earn the love of Violet Jackson. The ambitious interior designer doesnt remember Taka or their history. Love--with its inevitable heartbreak chaser--has no place in Violets immediate life plan. All the handsome genie can do for her is pony up on the three wishes hes promised and try not to be a pain while hes at it. While the arrogant king is praying for his submissive queen and the faithless object of his affection isnt praying at all, guardian angel, Aniweto, is praying for them both. With Anis help, Taka and Violets epic love will be rekindled and this royal couple--behaving-badly will finally earn their happily-ever-after through the grace of the Almighty.
