

## All Different Kinds Of Free

A free woman of color in the 1830s, Margaret Morgan lived a life full of promise. One frigid night in Pennsylvania, that changed forever. They tore her family apart. They put her in chains. They never expected her to fight back. In 1837, Margaret Morgan was kidnapped from her home in Pennsylvania and sold into slavery. The state of Pennsylvania charged her kidnapper with the crime, but the conviction was later overturned by the U.S. Supreme Court. It was the first time a major branch of the federal government had made a pro-slavery stand, and the ruling in *Prigg v. Pennsylvania* sowed the bitter seeds of the states rights battle that eventually would lead to the Civil War. Yet, the heart of this story is not a historic Supreme Court ruling. It is the remarkable, unforgettable Margaret Morgan. Her life would never be the same. Her family had been torn apart. Uncaring forces abused her body and her heart. But she refused to give up, refused to stop fighting, refused to allow her soul to be enslaved. Jessica McCann's work as an award-winning journalist has been published in *Business Week*, *The Writer*, and many other publications. *All Different Kinds Of Free* is her first novel.
