

The Worlds Greatest Working Trucks: The Best of the Northeast

This book is a dramatic sweep around the scenic Northeast of the United States capturing the regions most stunning trucks in settings which emphasize their work or their beautiful surroundings. From the Hudson River Valley to New Hampshire to trucks working on the Big Dig in Massachusetts, this book is chock full of working trucks looking their Sunday best. There is a bonus extra section of the regions finest antiques, many from a new, never-before seen collection. There is a tribute page of a beautiful American flag-decorated truck dedicated to the victims of the World Trade Center disaster, organized by the generous people of a New York village. Trucks, trucks and more trucks and the companies that cherish, maintain and work them everyday are the subject of this, the fifth in the series of working trucks books by Lotus Publications, Inc.
