

This fully revised and updated edition of Blackstones Police Investigators Mock Examination Paper ensures that National Investigators Exam (NIE) candidates are fully prepared for their multiple-choice examination. The book is designed in an exam format, so candidates can practice taking the whole exam in two hours. Like the actual exam, the book is presented on A4 and is split into two sections, one containing the 80 question mock exam and answer sheet and the second containing the answers and detailed marking matrix with explanations and references. The Mock Examination Paper gives candidates the opportunity to test their knowledge of the content of the Blackstones Police Investigators Manual 2012, with space for them to write their answers. The Answer Booklet contains the answers and marking matrices, giving candidates a mark for the full examination and individual marks for their knowledge of the four subject areas: Evidence; Property Offences; Assaults, Drugs, Firearms and Gun Crime; and Sexual Offences. The Answer Booklet includes an explanation about how to calculate the percentage score, as well as full explanations and references to the Blackstones Police Investigators Manual 2012. The Investigators Mock Exam has been completely updated for 2012 with new questions on legislative changes such as the Crime and Security Act 2010, the Equality Act 2010, the Coroners and Justice Act 2009, the Policing and Crime Act 2009, and the Violent Crime Reduction Act 2006. Candidates will find this book a user-friendly and valuable tool which should ensure a clearer understanding of the format and requirements of the exam. This product is not endorsed by the NPIA.
