

Blang (Chinas Ethnic Groups)

Although the majority of Chinas population is of the Han nationality (which accounts for more than 90% of Chinas population), the non-Han ethnic groups have a population of more than 100 million. Until now, China has officially identified, except for other unknown ethnic groups and foreigners with Chinese citizenship, 56 ethnic groups. In addition, ethnic groups vary widely in size. With a population of more than 15 million, the Zhuang have the largest ethnic minority, and the Lhoba, with only two thousand or more, the smallest...
