

Blindsided (Sisterhood)

A New York Times Bestselling Author Myra Rutledge isn't ready to mothball the Sisterhood just yet. When Maggie Spitzer, former editor-in-chief of the Post and an honorary member of the Sisterhood, arrives with a new mission in mind, the vigilantes are soon gathering in their war room once more. While catching up on each other's lives, they plan a brilliant campaign against a duo of corrupt judges running a moneymaking racket that sends young offenders to brutal boot camps.
