

## Unlocking the Invisible Child: A Journey from Heartbreak to Bliss

Searching for the meaning of life's experiences? Your soul purpose? *Unlocking the Invisible Child: A Journey from Heartbreak to Bliss* reveals the key to self-healing of body and mind, through the grace and gratitude of the heart and soul, via the all-knowing, compassionate invisible child within. In *Unlocking the Invisible Child: A Journey from Heartbreak to Bliss*, Laura Mayer shares her remarkable journey. It began with the discovery of a crippling and supposedly fatal disease at age fourteen. She chronicles the forty-year course of the disease, along with her multistage self-healing process, and suggests that anyone can take a similar journey to heal their own life. Mayer knows that all the medicine in the world could not have healed her, had she not gone deeper and unlocked the invisible child inside her. Over the past five years, Mayer has witnessed a total transformation in body, mind, and spirit. Aware that if she could mend her heart, her body would heal, she started to trust in the universe and listen to its messages. There are as many paths toward healing as there are individuals in need of healing. This means there is no formula, no sure-fire, cookie-cutter method that applies to everyone. *Unlocking the Invisible Child* is the amazing account of Laura Mayer's remarkable journey. She reveals to us a truth—that healing is and has always been the unique journey of the soul. Mayer writes from the heart. Her courageous account will inspire and encourage anyone who wants to be more than they are at present. - Larry Dossey, M.D. author of *The Power of Premonitions, Healing Words, and Reinventing Medicine*
