

Blood Tracks: A new action adventure series set in Louisiana (A Grey and Villere Thriller)

Introducing private investigator Tess Grey and Southern renegade ex-con Nicolas Po Villere in the first of a brand-new series of fast-paced action thrillers. When her local District Attorney offers her a considerable sum of money to track down state witness Crawford Wynne, private investigator Tess Grey is in no position to refuse. Wynne is one of the few men still alive who can help the State nail vicious drug lord Alberto Suarez. But Tess is not the only one trying to track Wynne down. Suarez's psychotic brother Hector has been hunting and butchering anyone who is a danger to his brother. Tess needs help and there's only one man she can turn to: Southern renegade ex-con Nicolas Villere, known to all as Po. Po always gets his man, but he has never been teamed with a woman before. Both have their own agenda for taking on this case, and neither fully trusts the other. But of one thing they are sure: if they don't cover each other's backs, they are both going to die.
