

# Body Language 101: YOUR BODY, YOUR MIRROR: How to Improve Communication, Gain Confidence and Attract the Opposite Sex - A Step by Step Guide (Communication, Body language, Social skills, Self esteem)

+2nd FREE BOOK INSIDE!??? Read this book for FREE on Kindle Unlimited! ??? Imagine this: You are sitting outside your boss's office when all of a sudden, a colleague of yours comes out grinning from ear to ear. As it turns out, they have just gotten a promotion one that you had tirelessly worked to secure before, but failed. You may be bitterly thinking something along the lines of: Its only because he/she is buddy-buddy with the boss they don't work as hard as I do. Its only because that person is more attractive there are studies saying that attractive people get paid more. However, chances are, it is not physical attractiveness or brown-nosing that gets these people the upper hand over you instead, its likely due to their excellent body language and speaking mannerism prowess. In communication, only 7% of the meaning is conveyed through the words spoken. The rest of the meaning is conveyed through body language and tone of voice. Done well, these two interpersonal skills can convey trustworthiness and confidence that together, strikes most people as attractive and valuable. This book provides excellent and straight-to-the-point tips on: How to diagnose your body language strengths and weaknesses. How to get people to subconsciously trust that what you are saying is important and worth remembering. How to replace body language that makes you appear shy and unsociable with body language that gives you an air of confidence, sureness, and geniality. And how to make every action count! ...also, don't forget to get your inspiring FREE BONUS BOOK: 5Cs FOR CHANGE: DISCOVER THE UNTOLD ELEMENTS OF CHANGE! Take action and get this book today - you'll be glad you did! Read on your PC, Mac, smartphone, tablet or Kindle device.
