

The Diary of Pink Pearl Continues: The Quadrilogy Volume Three

Because the multi-talented, world-famous Tony Sanchez has graciously offered to sell custom-commissioned paintings in order to show his support for Pink Pearls Parrot Rescue and parrot rescues around the world, I'm dedicating Volume three of my quadrilogy to him beginning with a four page full-color layout of his outstanding bio. Daniel Oropeza, is hosting the first annual fundraiser to support our organization, featuring sculptures by Donjo, Designs, signed and numbered Giclees by Michael Parkes, Tony Sanchez, myself and many other avian and art enthusiasts. Daniels full-color bio is featured in the final pages of this colorful volume as well. Please contact me at Pearly.bird@yahoo.com if you would like to have Tony, Daniel and or Donjo create a custom painting or sculpture of your loved ones. A portion of the commissioned work will be contributed as a tax-deductible donation to our non-profit organization. All artists who step forward to follow in these caring artists footsteps will be featured in volume four of my quadrilogy to pay it forward by promoting your artistic endeavors internationally. Please enjoy Volume three of my first quadrilogy, created with international love and kindness by gifted poets, artists, singer-songwriters and avian enthusiasts worldwide as Pink Pearl continues to march forward, one talon at a time to unite the world together for a great cause.
