

## Bowhunting Equipment & Skills: Learn From the Experts at Bowhunter Magazine (The Complete Hunter)

The surest way for you to succeed as a bowhunter is to get the help and advice of an experienced archer. There are no better experts than those folks at Bowhunter Magazine. Learn what to look for when buying a bow, arrows, broadheads, arrow rest, mechanical release, bowsight and quiver. Find out how to make your setup ready for hunting. Also, you'll need to learn the proper stance, release and follow through for shooting compounds, recurves and longbows. And, if you want to hit your target consistently, the section on adjusting your sights and estimating range will be especially helpful. This book has hundreds of easy-to-understand illustrations and photographs that take the guesswork out of achieving true arrow flight. Make it your guide to making well-placed shots on a bullseye or the buck of a lifetime.
