A Book That Teaches You How to become a Buddhist in 5 simple steps
Buddhism for beginners This is an introduction to Buddhism to help you understand the basic concepts about the Buddhist belief system, that will start you off in your new journey of life, if you decide to walk this path of Buddhist philosophy. Buddhism for beginners talks of the importance of Meditation, the right mind set for Buddhism. And 5 steps to achieve it . Buddhism for beginners also talks of Buddha the founder of Buddhism, where he gave the story of 5 blind men, describing an elephant, each telling their view as correct. Buddha says Just so are these preachers and scholars holding various views blind and unseeing.... In their ignorance they are by nature quarrelsome, wrangling, and disputatious, each maintaining their perceptions as a reality until they experience it. Buddha gave 84,000 instructions on how to train the mind to be happy and free from problems, thus revealing the supreme path to inner peace and happiness Here is the preview of what you get AN INTRODUCTION INTO BUDDHISM WHAT IS BUDDHISM?
