

One Year to Better Deer: 12 Months of Do-It-Yourself Ideas for Killer Deer Hunting

Great deer hunting can be yours by following this simple guide to dozens of do-it-yourself projects, organized by month. Each chapter includes ideas for increasing deer cover, enhancing natural forages, manipulating deer movements, creating smart stand sites, improving food plots, making wise herd-management choices, managing hunting pressure, and more. Special emphasis is placed on low-budget techniques that do more for deer with less expense, and many ideas can be used even when the reader does not own the land they hunt. Never again find yourself in the middle of a disappointing hunting season, wishing you had done more before the season started. With this book as a guide, you'll know what to be doing throughout the entire year to ensure your next hunting season is unforgettable!
