

I Am

In I AM, Laura A. Lord showcases with startling imagery the truth of self-image as the years progress and life takes its twists and turns. Her poetry forces us to see through the eyes of a woman struggling to balance the image of who she believes she is inside and the woman she sees in the mirror. Whether exploring her sexuality or condemning the fabric of change, Lord is as open and honest as someone can possibly be, allowing us a brief, intense glimpse inside the mind of a young girl in love, an aging woman, a mother, a wife, a human being.
