

Recipe for Love (Zane Presents)

This scrumptiously romantic read has all the right ingredients for a guilty pleasure: one part culinary delight, a dash of romance, and a pinch of suspense. All the ingredients for the quintessential guilty pleasure: one part culinary delight, with a dash of romance and a pinch of suspense mixed up into a deliciously sexy novel. Sassy restaurateur Jade has mastered her share of recipes except for one: she can't figure out the secret ingredient when it comes to love. Struggling to come to terms with being dumped by Bryce after four years, she surprises herself by agreeing to a date with Cain a mere three weeks after the painful breakup. But right as she moves on, Bryce decides that he wants her back. Jade can only hope that his obsessive pursuit of reconciliation doesn't ruin her own pursuit of happiness. Jade loves her new relationship with Cain, but her friends aren't always supportive, and she resorts to lies and deception. But just as she settles into her new romance, her lies come back to haunt her. Can she face the error of her ways before it's too late to salvage what matters to her most?
