

Ruin and Renewal: Volume Three of Crescent City (Volume 3)

Volume Three of the CRESCENT CITY Trilogy. 2005. The greatest natural disaster in American history is fast approaching New Orleans. Friend, family, stranger, and foe alike will meet their fates as a killer named Katrina tries to drown the Gulf Coast. Who will live and who will not? The survivors must pick up the pieces of their shattered lives. Can the kindness of strangers make up for the bureaucratic bumbling of government officials? Will those left in the Crescent City ever find normalcy again? (AUTHORS NOTE: RUIN AND RENEWAL is Volume Three of the CRESCENT CITY series. The story resumes immediately after the end of Volume Two, ELYSIAN DREAMS. The author strongly suggests that story be read before this one.)
