

Hostiles and Friendlies: Selected Short Writings of Mari Sandoz (Landmark Edition)

Here in one volume are Mari Sandoz's reminiscences of life in the Sandhills country; a study of the two Sitting Bulls (the Hunkpapa and the Oglala) and other Indian pieces; a novelette, Bone Joe and the Smokin' Woman; and nine short stories, mostly with a rural setting, including The Vine, her first to be published. Introduced by an autobiographical sketch of the author's early years and linked by a commentary derived from her letters, articles, and interviews, the separate pieces coalesce into an illuminating picture both of the Niobrara River country and of Mari Sandoz's emergence as a major American writer.
