

## Captain Blood

Captain Blood: His Odyssey is an adventure novel by Rafael Sabatini, originally published in 1922. Sabatini first introduced the character Captain Blood in a series of eight short stories in Premier Magazine as Tales of the Brethren of the Main, published from December 1920 to March 1921. The Odyssey-like story arc of these tales was then woven by Sabatini into a continuous narrative in novel form, published as Captain Blood: His Odyssey in 1922.
